Hi Paul,

Thanks for reviewing the briefing document and providing comments. I incorporated two of your comments into the document and will use your comments about documenting attempts to schedule consultation meetings and the consultation topics in the June 2017 invitation letters as talking points during the briefing.

Attached is one of the letters sent in June 2017. I have also attached the letter we sent out in Nov 2015 offering consultation before the draft UIC permits were issued.

I have also attached the document in the admin record that explain our tribal consultation efforts prior to draft permit issuance. The mailing list for the Nov 2015 letter is included as Table 1 in this document.

Thanks!

Valois
